Dear Joan

**Subject to Budget & Contract**

Thank you for coming in to see us this week. The development so far is encouraging.

We would like to invest a further two weeks' development to this project and I would be grateful if you could send me a budget as soon as possible so we can get this development up and running this month with a view to filming over the summer/early autumn should we go to commission.

As part of the development I would be grateful if you could prepare a budget and schedule for a commission. David Lloyd will advise you separately of the editorial content of the development.

Yours sincerely
